

ABSOLUTE ESSENTIAL™
THERAPEUTIC PLANT OILS

NATURAL HEALTHCARE SEMINAR SERIES 2014

ABSOLUTE RESPIRATORY CARE & RECOVERY

Are you looking for essential practical knowledge for professional & family health care?

Learn how clinical aromatherapy uses the compound synergy of pure essential oils and body systems to naturally fortify balance and healing.

You are invited to attend the Seminar 2 in a four-part educational seminar series

Dates & Venue:

Auckland - 17th June, 2014

South Pacific College of Natural Medicine
8 Arthur St Ellerslie, Auckland 1051

Wellington - 18th June, 2014

Meetings on the Terrace, 152 The Terrace, Wellington

Times: 6.00 pm supper (provided), 6.30-8.00 pm training

Cost: \$39 (Remaining 3 Seminars \$117, with earlybird \$99.45 - save 15% - book by 27 May 2014)

LEARN FROM THE EXPERT

- Professional advice on organic respiratory care using pure essential oils including recipes for baby, child & pregnancy.
- Essential know-how and confidence for blending your own natural products.
- Clear and practical steps to effective, safe family care using therapeutic plant oils.

RECEIVE ADVICE ON:

- How decongestant, antiseptic, anti-inflammatory, anti-viral, anti-bacterial & analgesic compounds in essential oils can be absorbed easily & naturally – to congestion, irritation & infection in the sinus, throat and lungs.
- How the body's immune system can be fortified to create a dual treatment that supports effective natural recovery from many conditions such as coughs, colds, sinusitis & flu.
- How to build a basic winter care kit and attend to minor respiratory and immune conditions.
- How to select therapeutic dosage, frequency & dilutions for: Olfaction / Diffusion – Internal / Capsules / Suppositories – Topical / Compress / Bath – Direct / Perfusion / Pulse Points.

Presented by

Bo Hendgen D.O. N.D. A.M

Over 25 years experience in working with therapeutic plant oils, osteopathy & naturopathy.

Her company uses the purest of organic plant essences in specialist family health care to provide you with effective help to nurture you every step of the way.

Her focus is on providing reassuringly safe, natural products for maternity, early years & child care.

Limited spaces. Bookings essential.
